

Extending Performance

# TRESU FeltSeal

TRESU distributes a complete portfolio of end seals matching each and every application in coating and printing.

Based on more than 40 years of working with, developing, and supplying end seals to printing and coating applications all over the world, we have accumulated the knowledge and experience to help you avoid unnecessary downtime and repeat your high quality printing and coating - year in, year out.

## FeltSeal advantages:

- Tight and flexible sealing often used in corrugated, gluing applications and in special applications.
- Also used for wider containment blades.
